Welcome

Mobile Panini is the culmination of the dream of Antonio and Carmen Dolcini, who came to America looking to serve people the authentic recipes learned from their Sicilian family.

I began work as a child in his grandmother's deli where he learned the age-old secrets of Sicilian cooking. He refined his technique at the Culinary Institute of Milan. His younger brother, Carmen, with no less of a love for cooking and good food, also worked in the deli and became well-acquainted with the open-air fresh food markets of his home town. Carmen too, is a proud graduate of the Culinary Institute of Milan.

Now you can enjoy what they have learned and mastered, right outside your door; but with no compromises in freshness or delicacy of preparation. We've partnered with *Curbside Thai* to bring you the finest cuisine on four wheels - from the East and the West!
